THE LINK

Joining

The Supermind group is live. Everyone, staff and affiliates, uses the same link:

<https://ziion.io/events/a5687f71-e402-4eaf-90f4-df3e5e24608a>

They create a free Ziion account at that link and join the group. This link is on the public site, in SM-CN-01, in SM-CN-02, in the Whop Ziion tab and in the welcome message. When it changes, it changes in all five places on the same day.

Ziion is built and run by Antoine. Platform access problems go to him.

DIVISION

What lives here and what lives in Whop

ZIION	WHOP
Community and conversation	The course
Events, hikes, gatherings	The Vault
The Thursday Affiliate Connect call	The leaderboard and the challenge
Affiliate-hosted events we promote	Help, the official support channel

Official support stays in Whop, so questions are answered in one place with a record.

THE CALL

Affiliate Connect

Thursdays, alternating 11:00 AM PT and 4:00 PM PT so different schedules get a turn. Thirty minutes, recorded every time and posted in Whop the same day.

MINUTES	SEGMENT
0-5	Wins and the leaderboard
5-12	One product story: an ingredient, a sourcing decision, a formulation choice
12-22	What is converting this week, with a real example
22-30	Open floor

Post the agenda in the group the day before. Post the recording and three takeaways the same day.

RECIPROCITY

We fill their rooms too

When an affiliate hosts something, post it to the group and promote it. This is the promise that makes the community worth joining, and it costs us nothing but attention.
